Assistant Lecturer, Animal Hygiene Department, Faculty of Veterinary Medicine, Cairo University, 1979

Demonstrator, Animal Hygiene Department, Faculty of Veterinary Medicine, Cairo University, 1975

### **Administrative positions**

Chairman of Animal Hygiene and Veterinary Management, Faculty of Vet .Medicine, Cairo University,2009-2012

### **Thesis Title**

**M. Sc.** Hygienic conditions of water drained from cultivated lands.

**Ph. D.** The occurrence of different stages of animal parasites in manure ,survival and control measures

### **Areas of experience**

**General:** Hygiene of Animal, Poultry ,Aquaculture and Environment

**Specific research field:** Animal, Poultry ,Aquaculture and Environment

- **Projects** "Hygienic disposal of infected poultry and its relatives with Avian Influenza virus in Egypt.2009 – 2011,Cairo University

### **Awards**

1-Award of Achievement and Advanced training of Research in Fish Disease and Water Quality-1992- Auburn University, USA.

2- Award of Prof.Dr.Ihab Ismail in the area of "Veterinary Hygiene", Cairo University 2009.

3- International Scientific Publication Award-Cairo University: **2007, 2008, 2010 and 2012.**

4-Inclusion in **Who's Who in the World** (The book is a global reference relied on by universities, libraries, corporations, and governments around the world).

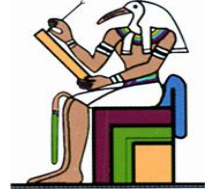

### **Professional Qualifications**

1-Design, consulting, establishing, and implementing fish, poultry and animal farms.

2- Health related entities systems according to ISO 9000 series, ISO 14001, and HACCP system.

3-Teaching hygiene , preventive medicine and food security.

4- Experience in Environmental hygiene, including detection of hazardous pollutants of air, water and soil.

5- Water Microbiology.

6- Epidemiology and molecular epidemiology.

7. Prevention and control strategies of some parasites infesting animals (Fasciola, Paramphistomum and Trichostrongylidae).

8- Prevention and control strategies of some parasites infesting poultry farms.

9- Bioremediation of Environmental Pollution.

### **Conferences**

1-Share member of the Arab Veterinary Medical Congress of the Cairo. Vet .Med. (21<sup>st</sup>) by published paper 1993.

2-Share member of 3<sup>rd</sup> Scientific Congress of faculty Veterinary Medicine, Cairo, by publishing paper on March, 1994.

3-Share member of the Virginia regional College of Veterinary. Medicine Symposium in Roanoke city. USA, presence only, 2001.

4. Conference on Animal Welfare from the Islamic and Modern Views, the Development of Animal Resources and the Related Contemporary Legislation, 28<sup>th</sup> February – 1<sup>st</sup> March 2004, Al-Azhar University, Cairo, Egypt.

5. Participating in the scientific session entitled “Problems of Poultry Industry In Egypt and How to Overcome it” organized by Egyptian Society for Animal Management on 16 June, 2004.

6. The First Scientific Conference at Faculty of Veterinary Medicine, Zagazig University, Moshtohor, Benha – Ras Sedr, September 1-4, 2004.

7. The Eighth Scientific Conference of Faculty of Veterinary Medicine, Cairo University in the period from 17-19 April, 2005.

8.The First Scientific Conference of the Egyptian Society of Experimental Biology in collaboration with Faculty of Agriculture, Kafr El-Sheikh, Branch Tanta, Tanta University, Egypt, that was held in 26<sup>th</sup> of November, 2005.
