

Personal Curriculum vitae

Name : HANI MOHAMMED GOHAR
First middle last

Date of Birth : 5 5 1948
Month Day Year

Place of birth : Cairo, Egypt.

Sex : Male.

Nationality : Egyptian.

Mother Tongue : Arabic.

Second language: English (excellent).

Home Address : Villa 51 megaora ola, el-hay thalethashr.Sheik Zaid

Telephone : *Home: 002 02 38956661*
Mobile: 012-22361031
Office: 002 02 35685881 Fax-002 02 35685881

E-mail hani_gohar@yahoo.com

Academic field : Veterinary Medicine.

Marital status : Married (three children)

Academic Background (most recent first):

- Ph.D. Veterinary medical Sciences (1978) Surgery, anesthesiology and Radiology - Cairo University. Thesis entitled “Experimental studies on some factors leading to formation of urinary calculi in sheep and goats”.
- Master Veterinary medical Sciences (1975) – Surgery, anesthesiology and Radiology - Cairo University. Thesis entitled “Experimental gastrectomy in dogs”.
- Bachelor of Veterinary medicine and surgery; Jan.1972 - Cairo University.

Scholarships Abroad

School- Country	From-To
Royal School Of Veterinry Studies-Edinburgh- United Kigdum.	1979-1980
FRCVS T. List 496/80	1980
School Of Veterinary Medicine. Departement Of Clinical Studies University Of Illiniois	1993-1994
School Of Veterinary Medicine ,University Of California ,Davis.	1994

Employment History

OCCUPATION	PERIOD		INSTITUTION
	FROM	TO	
Demonstrator	1972	1975	Surgery Dept., Faculty Of Vet.Med., Cairo University,Egypt
Assistant lecturer	1975	1978	Surgery Dept., Faculty Of Vet.Med., Cairo University
lecturer	1978	1984	Surgery Dept., Faculty Of Vet.Med., Cairo University,Egypt
Assistant Professor	1980	1985	Surgery Dept., Faculty Of Vet.Med., King Faisal University Saudi Arabia
Assistant Professor	1984	1989	Surgery Dept., Faculty Of Vet.Med., Cairo University,Egypt
Professor	22/2/19 8	UP TILL NOW	Surgery Dept., Faculty Of Vet. Med., Cairo University,Egypt
VICE-DEAN	2003	2004	Surgery Dept., Faculty Of Vet. Med., Cairo University,Egypt
DEAN	2004	1/8/200 8	Surgery Dept., Faculty Of Vet.Med., Cairo University,Egypt

Attended Conferences

In The Field Of Quality Assurance In Higher Education

- (REEF-MED Mediterranean Network of Establishments for Veterinary Education. General Assembly, Italy – Thursday 19 September, 2013.
- (REEF-MED) Mediterranean Network of Establishments for Veterinary Education. Headquarter, Tunisia – 4-6 March 2012
- REEF-MED Mediterranean Network of Establishments for Veterinary Education. General Assembly, Moraco – 10-12 October 2011 .
- 1st International Seminar on ranking in higher education and learning,22-23 September 2011,Barcelona,Spain.
- Quality Assurance of higher education in the Muslim world universities, Rayed,22-28 December ,2010.
- Workshop "Toward a harmonized veterinary education in the Mediterranean", Alfort, Paris, 7-8 October,2010.
- National Authority Of Quality Assurance And Accreditation Of Egypt, Intensive Workshop On"Peer Reviewer For Higher Education Establishments" 4-6 January,2010
- National Authority Of Quality Assurance And Accreditation Of Egypt, Intensive Workshop On"Peer Reviewer For Pre-Higher Education Establishments" 28th December2009,January 1st 2010
- National Authority Of Quality Assurance And Accreditation Of Egypt, Workshop On"Peer Reviewer For Higher Education Establishments" 13-17 December,2009
- Quality Assurance of higher education in the EPUF universities, Beirut, 26-28 October, 2009.
- Quality Assurance of higher education in the EPUF universities, Beirut, 26-28 October, 2009
- "Public Lectures On Quality Assurance"19-10-2009-DAAD.ANQAHE-QAAC.P
- Workshop on "Managing Quality Assurance Agencies & Quality Assurance University Centers in the Arab Region" Cairo , 17-18 October 2009

- "International Conference On Strategic Planning And Quality Assurance In Higher Education In The Muslim World", Kuala Lumpur ,Malaysia,20-22 July, 2009.
- National Authority Of Quality Assurance And Accreditation Of Egypt, Workshop On"Self-Study Of Higher Education Establishments 15-19 November,2009
- National Authority Of Quality Assurance And Accreditation Of Egypt, Workshop Of Self Study Of Higher Education Establishments 11-15 June,2008
- National Authority Of Quality Assurance And Accreditation Of Egypt, Workshop Entitled"The Way Toward Quality Assurance And Accreditation In Higher Education Establishments 11-15 June,2008

In The Field Of Veterinary Surgery

- III International Orthopedic And Neurosurgical Conference (Hamburg -Germany) 2005.
- Inframation 2002 Florida, USA, 2002.
- Fourth World Congress Of Veterinary Dermatology- San Francisco (USA) 2000.
- Workshop On Livestock And Drought: FAO-DRC, Cairo, Egypt, 1999.
- American Urological Assoc. (AUA) Ninety-Second Annual Meeting, New Orleans, USA, 1997.
- 18th, 19th , 20th, 21st, 22nd, 23rd, 24th And 25th,26th ,27th ,28th ,29th Arab Vet. Conf. 1987, 1989, 1991, 1993, 1995, 1997, 1999 And 2001, 2003,2005,2007,2009 Egypt.
- 1st, 2nd, 3rd, 4th, 5th And 6th Scientific Conf .Of Faculty Of Vet. Med. Cairo University, 1990, 1992,1994,1996 And 1998,2000.
- 2nd, 4th ,6th ,8th And 9th Scientific Conf .Of Faculty Of Vet. Med. Assiut University, 1986, 1990,1994,1998 And 2000.
- International Conf. Of Animal Diseases In Africa And Middle East, Egypt, 1992.
- 7th Saudi Biol. Soc. Conf .Kingdom Of Saudi Arabia, 1982.

- 6th Saudi Biol. Soc. Conf. Kingdom Of Saudi Arabia, 1981.
- Annual Meeting Of Equine Surgery Society, U.K., 1980.
- Annual Meeting Of Edinburgh-Glasgow, Glasgow, U.K., 1980.
- Conf. Of Vet. Anesthetists Of Great Britain And Ireland, Edinburgh, U.K., 1980.
- 14th Arab Vet.Conf. 1979, Egypt

SCIENTIFIC PROJECTS

- Urolithiasis In Ruminants 1996.
- Studies On Camel Diseases 1996-1998
- Prospective View On Camel In Egypt Through Its State Of Art. 1995-1996.

Thesis Supervised By the Applicant

- Ph.D. Entitled “Effect of thyrocalcitonin on healing of jaw defects”, Faculty of Dental medicine. Cairo University, 1975.
- Ph.D. Entitled “Status of small animals surgery in Egypt” Faculty of Vet. Med., Cairo University, 1990.
- Ph.D. Entitled “Ileal bladder substitute with non-intussuscepted valve as antireflux procedure. Faculty of Medicine, Al-Azhar University.
- Ph.D. Entitled “Cellular and immuno-histochemical changes in exposed vital pulps of dog’s teeth capped with new calcium phosphate biomaterials.” Faculty of Dental medicine. Cairo University, 2001.
- Ph.D. Entitled “Histopathological changes in the dental pulp of experimental animal after application of various materials.” Faculty of Dental medicine. Cairo University, 1998.
- Ph.D. Entitled “Collgen expression in periodontal ligament and bone remodeling during orthodontic retention phase.” Faculty of Dental medicine. Cairo University, 1998.
- Ph.D. Entitled “Histopathological changes in the dental pulp” Faculty of Dental medicine. Sues Canal University, 2000.
- Ph.D. Entitled “The prevalent surgical affections among calves in Egypt ” Faculty of Vet. Med., Cairo University, 2002.

- Ph.D. Entitled “The use of hypertonic saline solution in resuscitation of hypovolemic shock among small ruminants”. Faculty of Vet. Med., Sues Canal University, 2001.
- Ph.D. Entitled “Studies on the prevalent surgical affections among newly born calves” Faculty of Vet. Med., Cairo University, 1994.
- M. Sc. Entitled “The use of collagen in repairing oral and nasal sinuses defects”. Faculty of Dental medicine, Al-Azhar University, 1987.
- M. Sc. Entitled “The effect of induced dental malocclusion on the rabbit condyle”. Faculty of Dental medicine. Cairo University, 1995.
- M. Sc. Entitled “Udder affections in small ruminants”. Faculty of Vet. Med., Cairo University, 2001.
- M. Sc. Entitled “Experimental studies on different methods adopted for treatment of long bone fractures”. Faculty of Vet. Med., Cairo University, 1996.
- M. Sc. Entitled “Studies on surgical skin affections in ruminants”. Faculty of Vet. Med., Cairo University, 1999.
- M. Sc. Entitled “Some aspects of laparotomy in the camel” Faculty of Vet. Med., Cairo University, 2002.
- M. Sc. Entitled “Photodynamic therapy of neointimal hyperplasia” National institute of Laser Enhanced Science, Cairo University, 1999.
- M. Sc. Entitled “The use of cellular examination of tumors, body fluids and excreta in diagnosis of diseases in animals”. Faculty of Vet. Med., Cairo University, 2001.
- M.Sc. Entitled “Urolithiasis in pet animals” Faculty of Vet. Med., Cairo University, 1989.
- M.Sc. Entitled “The effect of some medicinal plants on wound healing” Faculty of Vet. Med., Suis Canal, 1997.
- Ph.D. Entitled “Studies on Edematous skin disease in Buffaloes” not finished yet.

Published Articles

- 1- Upward fixation of the patella in buffaloes. Bull. Animal Health and Prod. In Africa. 27, 252-253, 1979.

- 2- The use of bone cement for fixation of induced mandibular fractures in puppies. *Egypt. Dental J.* 25, 323-332, 1079.
- 3- Sheep Urolithiasis (Dietetic errors), *Proc. Of the 14th Arab Vet. Med. Cong.*, 102-112, 1979.
- 4- Efficacy of sodium chloride in prevention of sheep urolithiasis. *Bull. Anim. Health and Prod. In Africa.* 29(4), 321-324, 1981.
- 5- Keratoconjunctivitis in calves in Saudi Arabia. *Acta. Vet.* 33(2,3) 167-170, 1983.
- 6- Experimental ruminal cannulation. *Assiut Vet. Med. J.* 11(22), 221-223, 1984.
- 7- Traumatic and non- traumatic indigestion in small ruminants. *Assiut Vet. Med. J.* 15, 157-160, 1985.
- 8- Experimental study on healing effect of topical application of thyrocalcitonin on jaw defects in dogs. *Pakistan Vet. J.* 5, 5-11, 1985.
- 9- Abdominal hernia in sheep and goats. *Proc. Of Saudi Biol. Soc.* , 289-297, 1985.
- 10- Saffan anesthesia in Camels. *Assiut Vet. Med. J.* 15, 191-197, 1985.
- 11- The reaction of major salivary glands after unilateral nephrectomy in dogs. *J. Of Oral Medicine.* 15 (2), 16-26, 1985.
- 12- Unusual foreign body in a cow. *Vet. Med. Rev.* 1, 90-92, 1986.
- 13- Small intestine venation associated with an ileal impaction in a foal. *Equine Practice*, 9, 15-16, 1987.
- 14- Field trials of Rompun-Saffan anesthesia in donkeys. *Alex. J. of Vet. Sci.* 3(2), 256-272, 1987.
- 15- Steroid anesthesia in goats. . *Alex. J. of Vet. Sci.* 3(2), 297-309, 1987.
- 16- Selection of an incision site for caesarotomy in protracted dystocias in ruminants. *J. Egypt. Vet. Med Assoc.*, 47, 307-313, 1987.
- 17- Tail necrosis in the horse. *Assiut Vet. J.* 19(38), 209-212.
- 18- Umbilical and abdominal hernia in ruminants. *J. Egypt. Vet. Med Assoc.*, 47, 563-574, 1987.
- 19- Intravenous cholecystography in dogs. *Companion animal practice*, 2(2), 31-33, 1987.
- 20- Sacrococcygeal agenesis in a male calf. *J. Egypt. Vet. Med Assoc.*, 47, 681-683, 1987.
- 21- Stifle lameness in equines. *J. Egypt. Vet. Med Assoc.*, 48, 31-33, 1987.

- 22- Ocular changes in experimentally lead poisoned goats. *Vet.Med.J.*36 (1), 147-152, 1988.
- 23- Ocular anesthesia in donkeys. *Vet.Med.J.*36 (1), 153-1160,1988
- 24- Clinical experience with xylazineHcl-ketamine and promazine Hcl-thiopental anesthesia in donkeys. *Vet.Med.J.*,36(3),456-474,1988
- 25- Clinical presentation and radiographic aspect of gastric dilatation in dogs. *Vet.Med.J.*,36 (3),475-489,1988.
- 26- The effect of irradiation on healing of mandibular fractures .*Egyptian Dental J.* 34(3), 215-221,1988.
- 27- Congenital torticollis and head scoliosis in a donkey. *J. Egypt.Vet.Med Assoc.*, 48(1), 149-153, 1988.
- 28- Experimental application of a modified jejunocecal valve as a remedy in massive resection of the small intestine. *Alex.J.of Vet.Sci.* 4(1), 419-426, 1988.
- 29- A field trial to prevent sheep urolithiasis by the use Amm.Hcl, Ca Hcl, Sodium Hcl and calcium chloride. *Alex.J.of Vet.Sci.* 4(1), 369-375, 1988.
- 30- Radiographic visualization of the gallbladder in goats. *Alex.J.of Vet.Sci.* 4(1), 427-432, 1988.
- 31- Partial splenectomy in donkeys. *Assiut Vet.J.*20 (40), 144-150.,1988.
- 32- Repair of the head fractures in equines, with special emphasis on mandibular, premaxillary and maxillary ones. *Vet.Med.J.*36 (3), 481-4480, 1988.
- 33- Emphysema and emphysema of the guttural pouch in donkeys. *Alex.J.of Vet.Sci.* 4(1), 409-418, 1988.
- 34- Reconstruction of a third degree rectovestibular laceration in an Arabian mare. *J. Egypt.Vet.Med Assoc.*, 48(4), 629-635, 1988.
- 35- Upward fixation of the Patella in camels. *J. Egypt Vet. Med Assoc.*, 48(4), 637-641, 1988.
- 36- Amputation of the penis in a horse. *Alex. J. of Vet. Sci.* 4(2), 379-384, 1988.
- 37- Effect of high dietary levels of calcium. Phosphorus and magnesium on urolithiasis in sheep. *J. Egypt Vet. Med Assoc.*, 59(4), 1329-1339, 1999.
- 38- Effects of steroid anesthesia on some liver function tests in goats. *J. Steroid Biochem. (Great Britain)*, 32(3), 475-476, 1989.
- 39- Hydatid cyst in inguinal region of Egyptian sheep and goat. *Alex. J. of Vet. Sci.* 5(1), 463-467, 1988.

- 40- Biochemical effect of steroid anesthesia on some liver function tests in goats. Arch. exper. Vet. Med., Leipzig, 44(3),361-366.
- 41- Radiographic visualization of the carpal and digital sheaths in Equines. . Alex. J. of Vet. Sci. 5(2), 655-664, 1989.
- 42- Preliminary assessment of normal joint angles and limb conformation in the Egyptian Buffaloes. First Scien. Egypt Society for cattle diseases. Assiut, 43-50, 1991.
- 43- Incidence, clinical and radiographic studies of fractures in sheep and goats. 20th Arab Vet.Med.Congress.725-737, 1991.
- 44- Unusual pathway of a penetrating reticular foreign body in a buffalo. Egypt. J. of Vet.Science.25 (1), 85-87, 1988.
- 45- Subungual squamous cell carcinoma in a poodle. Fifth Scien. conf. Fac. of Vet.Med.Assuit189-192. 1992.
- 46- Influence of some stress factors on working capacity of draught equines. Cairo international meeting of working animals. Pp 24. April 1992.
- 47- Studies on ruminant urolithiasis: 1- The effect of feeding fattening rations on bulls – Field study. Proceedings of 4th Scientific Congress of Fac. Of Vet. Med., Cairo University .44 (2A) 281 – 290. 1996.
- 48-The role of non- conventional feed resources on the formation of urinary calculi in sheep. Workshop on Livestock and Drought Policies for Coping with Changes. Cairo, May 24 – 27:153 – 158. 1999.
- 49-A safe anesthetic regimen for high-risk patient dogs. Alex. J. of Vet. Sci. 4(2), 385-390, 1988.
- 50-Response of goats to Ketamine Hcl with or without xylazine. Alex. J. of Vet. Sci. 4(1), 433-439, 1988.
- 51-The use of hypertonic saline-dextran solution to resuscitate hypovolemic calves with diarrhea. Amer.J.Vet.Res.,57(1),97-1004.
- 52-Simple antireflux in ileal bladder substitutes: An experimental study in dogs. Urology 48(2), 211-216, 1996.
- 53-Determination and utility of the anion gap in predicting hyperlactatemia in cattle. Journal of Vet .Internal Med., 11(2) 71-79.
- 54-Studies on the umbilical affections in calves. Vet.Med.J.45 (2), 137-145, 1997.

- 55-A wall-incorporated valve for preserving continence: an experimental study. *British J. Urol*, 82(2),278-283, 1998.
- 56- Effect of serum potassium concentration on heart rate in dehydrated calves.17th Annual Vet. Med. Forum, American college of Vet. Internal Med.1999.
- 57-A clinico-pathological study for some neoplasms in ruminants.4th World Congress of Vet. Dermatology, San Francisco, California, 2000.
- 58-Dermoid cysts in camels. 4th World Congress of Vet. Dermatology, San Francisco, California, 2000
- 59-Effect of high dietary levels of calcium, phosphorus and magnesium on urolithiasis in sheep. Workshop on Livestock and Drought Policies for Coping with Changes. Cairo, May 24 – 27: 159-163 .1999.
- 60-Maturation of intestinal urinary reservoirs in canine. American Urological Assoc., New Orleans, ninety- second annual meeting.1997.
- 61-A clinico-parasitological identification of hydrated cyst in the vagina of an Egyptian goat. *J. Egypt. Vet. Med Assoc.*, 62(1), 113-117, 2002
- 62-A field study of udder and teats affections in small ruminants: Incidence, breed and type of milking. *J. Egypt. Vet. Med Assoc.*, 62(6), 55-69, 2002.
- 63- Ultrasonographic diagnosis of some udder and teats affections in small ruminants. *J. Egypt. Vet. Med Assoc.*, 62(6a), 7-24, 2002.
- 64 Clinical assessment of thermography as a diagnostic and prognostic tool in horse practice. Inframation 2002 ITC 035 A 2002-08-01 Orlando, Florida, USA, 2002.
- 65- Cytogenetical prospects of the regulatory role of bee glue and folic acid genomic instability of layer and broiler chicken embryos. *J. Egypt.Vet. Med. Assoc.*, 63(1), 171-184, 2003.
- 66- Comparison of Xylazine, Detomidine and balanced anesthetic regimen in Camels undergoing laparotomy.8th World Congress of Veterinary Anesthesia. Knoxville, USA, 16-20 September 2003.
- 67- The use of paired pin technique in the repair of distal femur fractures in dogs and cats. III International Orthopedic and Neurosurgical Conference. Hamburg, Germany, April ,2005.
