Curriculum Vitae

personal Information

Name	Marwa Mohamed Attia Hassan	optional photo
Title	Parasitology Department, Faculty of Veterinary Medicine, Cairo University	
Date of birth	20-12-1980	
Place of birth	Alexandria	
Citizenship	Egyptian	

Contact Information

Home phone	02-25201480
Work phone	
Mobile phone	01006765862
E-mail (s)	Marwaattia.vetpara@yahoo.com ; marwaattia.vetpara@cu.edu.eg
Web site (s)	
Current Address	Maadi-Cairo

Educational Qualifications

PH.D.(2014) Studies on <i>Rhinoestrus</i> spp. (Diptera: Oestridae) infesting donkeys in Egypt.
M.VSc.2008 Studies on <i>Linguatula serrata</i> infesting animals in Egypt.

B. Sc., Faculty of Veterinary Medicine, Cairo University, 2004

Academic Positions

Demonstrator, Parasitology department, Faculty of Veterinary Medicine, Cairo University, 2004.

Assistant Lecturer, Parasitology department, Faculty of Veterinary Medicine, Cairo University, 2008.

Lecturer, Parasitology department, Faculty of Veterinary Medicine, Cairo University, 2014.

Associate professor, Parasitology department, Faculty of Veterinary Medicine, Cairo University, 2019.

Administrative positions

Director of

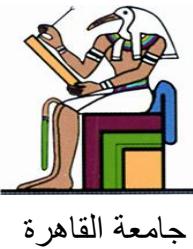

Dean of

Vice Dean of

Thesis Title

M. Sc. Studies on *Linguatula serrata* infesting animals in Egypt.

Ph. D. Studies on *Rhinoestrus* spp. (Diptera: Oestridae) infesting donkeys in Egypt.

Areas of experience

- Courses teaching: Parasitology, Arthropoda, Protozoa courses.
- Teaching 3rd year students (Parasitology).
- Teaching post-graduate students (Parasitology).
- Supervising Post- graduate for M.V.Sc. and Ph.D Degrees.
- Sharing in Writing the lectures notes of Parasitology for undergraduate.
- Sharing in preparation of strategic planning of Faculty of Veterinary Medicine; Cairo university

Projects

Awards

- Awards of Dr. Mohamed Saied Soleiman in the academic year 13-9-2015, Faculty of Veterinary Medicine, Cairo University.
- Cairo University award for scientific excellence, 2017; 1st edition.
- Cairo University award for scientific excellence, 2017; 2nd edition.
- Cairo University award for scientific excellence, 2018.

Professional Qualifications

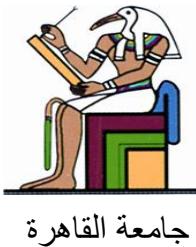

Conferences

- Attended a conference on " Egypt Safe and free from Parasites" from 26- 28 October 2017.
- Attended a conference on: Development of Animal Wealth: Challenges and Solutions" At National Research Centre, Cairo, Egypt, From 5-7 December 2017.
- Attended a Training workshop on " Real Time PCR Application in Research Field" from 1-2 April 2018.
- Attended a Training Bioinformatics workshop on " PCR Primer Validation: Integrating Bioinformatics tool" at 24th March 2018.
- Attended a conference on "Parasitic and infectious diseases: Challenges and Innovative facets" on Al-Azhar Medical Parasitology Department, on 5th April 2018.
- Attended a conference on " uses of a new technique for improvement of animals health" on Alexandria at 18 October; 2018.

جامعة القاهرة

Training courses

- Attended a training course on Application of Modern immunodiagnostic techniques for diagnosis of infectious diseases" from 6th -11th May 2006, Faculty of Veterinary Medicine, Cairo University.
- Attended a training course on Polymerase Chain Reaction (PCR) and its different application from 12th - 16th November 2006, Faculty of Veterinary Medicine, Cairo University.
- Attended a Conference on Egypt safe from disease" at 26-28 November 2015.
- Attended a training course on " Manufacturing of some Dairy Products under hygienic condition" at 4th May 2016, Faculty of Veterinary Medicine, Cairo University.
- Attended a Workshop on " Nanotechnology as tools for diagnosis and control of diseases" on 1st November 2016.
- Attended a training course on SPSS from 23- 24 April 2017.
- Attended a training workshop on " Diagnosis of coccidiosis on poultry" by MSD Company on Parasitology Department, Faculty of Veterinary Medicine, Cairo University, on, 26-4-2017.
- Attended a Module on "Scientific writing structure and logic" on DAAD, 13th May 2018.
- Attended a course on Strategic Planning on Cairo University, Training units from 15-19/4/2018.
- Attended a Workshop training on The New Strategic Planning of Cairo University, in Training units from 17-20/6/2019.
- Attended a module on "Isothermal amplification and nanopore sequencing as rapid methods for outbreak identification and disease control"- 29 July 2019.

Computer Skills

- *Good Experience in the using of computer (Word; Excel; PowerPoint and Photoshop)*

Language Skills

Good English writing and speaking.

Professional Memberships

- Member on The World Association for the Advancement of Veterinary Parasitology (WAAVP).
- Member on The Egyptian Parasitology Society.

- Member on Egyptian Veterinary Society.
- Members of Quality Assurance unit in Faculty of Veterinary Medicine; Cairo University.

Other activities

- Good Experience in the using of Scanning and Transmission Electron Microscope for fine description and Identification of different parasites.
- Good Knowledge and Experience on recent diagnostic techniques used in parasites diagnosis" PCR, ELISA, Nano-ELISA, DOT-ELISA".
