Curriculum Vitae

personal Information

Name	Ayman Tolba Reyad Tolba
Title	Professor of Anatomy and Embryology
Date of birth	30 of September, 1980
Place of birth	Egypt
Citizenship	Egyptian

Contact Information

Home phone	+224409040
Work phone	+235720478
Mobile phone	+201005300148
E-mail (s)	Draymantolba@cu.edu.eg – Draymantolba@hotmail.com
Current Address	5th El-Roda Street – Heliopolis – Cairo - Egypt

Educational Qualifications

Ph.D. of Veterinary Anatomy (2010), Cairo University.
MVSc of Veterinary Anatomy (2006), Cairo University.
Bachelor of Veterinary Medical Science (2002), Cairo University.

Academic Positions

Head of Anatomy and Embryology department. (September 2020 – till now).
Professor of veterinary Anatomy and Embryology. (May, 2020).
Assistant professor of veterinary Anatomy and Embryology. (May 2015).
Lecturer of veterinary Anatomy and Embryology. (January 2010).
Assistant Lecturer, Anatomy and Embryology. (April 2006).
Demonstrator, Anatomy and Embryology. (March 2003).

Thesis Title

Ph.D. thesis topic: Reconstitution of the anatomy museum by bringing various teaching materials together to facilitate integrated self-directed learning.

Master thesis topic: Some anatomical and technical studies on the accessory genital glands of the male Donkey with special references to their arterial blood supply.

Areas of experience

Veterinary anatomy and embryology.
Teaching techniques (**BPL**) and Educational technologies.
Medical museum arrangement and management.
Marketing and promotions skills.

Projects

Awards

International publication awards, Cairo university (**2012 - 2017 - 2019 - 2020**).

Professional Qualifications

Conferences

31st Anatomy Scientific Conference -Ein Shams University – November **2007**
32nd Anatomy Scientific Conference -Ein Shams University – December **2008**.
4th International Research conference – Cairo University – December **2008**.
2nd Scientific Conference African Association Veterinary Anatomists – March **2010**.
6th Scientific Conference – Vet. Med. - Beni Suif University April **2010**.
3rd International Scientific Conference- Vet. Med. – Cairo University – May **2011**.
15th Scientific Conference – Vet. Med. – Assuit University November **2012**.
16th Scientific Conference – Vet. Med. – Assuit University December **2014**.
5th International Scientific Conference- Vet. Med. – Cairo University – February **2016**.
8th International Scientific Conference – Vet. Med. – Beni Suif University October **2016**.
21th International European poultry conference – Spain - May **2017**.
15th International European poultry symposium – Croatia - September **2018**.
22th International European poultry conference – Poland - June **2019**.
WAVA Online Meeting by World Association of Veterinary Anatomists on August **2020**.

Training courses

Selling skills, **Leaders center AUC - 2007.**
Effective uses of advertising & promotional tools training, **Cairo University - 2008.**
Effective presentation skills training, **Cairo University - 2009.**
Interactive Presentation training, **Cairo University - 2010.**
How to present scientific data module, (DAAD), GUC - **2011.**
Competitive research projects training, **Cairo University - 2012.**
Communication skills training, **Cairo University - 2013.**
Conferences organization training, **Cairo University - 2014.**
Creative thinking training, **Cairo University - 2014.**
Business leadership training, **Cairo University - 2015.**
International publication training, **Cairo University - 2015.**
Innovation (out of the box) thinking training, **Cairo University - 2015.**
Critical thinking training, **Cairo University - 2019.**
Research Ethics training, **Cairo University - 2019.**
Knowledge bank training, **Cairo University - 2019.**
Positive thinking training, **Cairo University - 2019.**
Total quality management training, **Cairo University - 2020.**
Strategic management training, **Cairo University - 2020.**

Computer Skills

International Computer driving license (ICDL) on 6 March 2009.
Knowledge and experience of Windows, macromedia, Photoshop, free hand & Flash.
Using the computer programs as tools in teaching and researches of vet. Med.
Digitalization of the veterinary courses.

Language Skills

TOEFL IBT, (score 84 equal to 620), December 2011.

Professional Memberships

Member of Egyptian Veterinary Syndicate.
Member of Egyptian Veterinary Medical Association.
Member of the African Veterinary Anatomists Association.
Member of the Egyptian Society of Anatomical Sciences.
